

Grace Community Food Pantry

Has it been a year already? At Grace Community we have been so blessed to help so many individuals and families in our community by offering a way to provide food. And we thank you when you have allowed us to pray with you.

To help make your experience more enjoyable at Grace Community when picking up food, we are trying ways to eliminate waiting times and provide you with shopping experience where you can see and select the type of food you need. To help with the process we ask that you follow a few easy steps:

1. Pull in the driveway and wait in your vehicle within the designated line location. A Grace Community volunteer will assist with where you are to drive your vehicle.
2. When a shopping spot becomes available, a Grace volunteer will approach your car and let you know that a spot is available.
3. Park your vehicle and turn off the ignition and follow the volunteer into the building.
4. When entering the lobby, stop by the greeting table to check in and complete any paperwork if required.
5. The Grace volunteer that greeted you at your vehicle will assist you as you shop showing where you need to go and answering any questions you may have.
6. When you have completed your shopping, you may request prayer, there are Grace volunteers that would love to pray with you. Your Grace volunteer will assist you loading your groceries into your vehicle.

Thank you and may God richly bless you.
